

Competitive Squad & Masters Terms & Conditions

Welcome to X Lab! We thank you for your support.

By enrolling yourself or your child in our classes, you hereby agree to the below terms & conditions.

Please read them carefully.

FEES & PAYMENT

Monthly Training Fees

Fees are to be paid in full before commencement of your first training session. Session placements are not guaranteed until payment is received in full. As our sessions usually fill up quickly, and waiting lists are common, we recommend making payment for your training sessions sufficiently in advance.

Fees are per calendar month, and apply only to the training and usage of the facility during the training. Fees cannot be prorated and must be paid for the full month, regardless of intended or actual attendance, with the sole exception of swimmers newly joining in the middle of the month, who shall be eligible for prorated fees based on the remaining calendar days in the month.

Any external costs for usage of the facility outside of training times, or for participating in additional events such as competitions, are to be borne by the swimmer separately.

Private Lessons

Swimmers booking private lessons with X Lab coaches will be invoiced by X Lab and should make payment to X Lab directly. Private lesson rates are available upon request, and shall be deemed accepted by any swimmer participating in the lesson.

Event and Membership Fees

Where required by Singapore Aquatics or other organizers, X Lab may also make payment on swimmers' behalf for fees related to participation in meets. Fees for swimmers will be billed back to the swimmer at cost, with the exception of relay fees which will be paid for by X Lab.

By participating in an event, the swimmer agrees to pay all fees related to his/her participation in the event, including event fees, entry fees and any penalty fees for missed time standards or no-show.

X Lab reserves the right to require swimmers to swim in specific meets and/or events, if deemed beneficial for the swimmer.

Equipment and/or Gear Purchases

From time to time, X Lab may purchase equipment and/or gear on swimmers' behalf. Any equipment purchases will be billed back to the swimmer, following which the equipment shall be considered the property of the swimmer.

X Lab may also offer equipment and/or gear (e.g. swim cap with club logo) for optional purchase by swimmers on a retail basis. Prices for such retail items are available upon request, and are deemed to be accepted by any swimmer receiving the item.

Starter Kit

All new joiners to the Competitive Squad shall be required to purchase an X Lab competitive squad starter kit, consisting of two t-shirts, two swim caps, one jacket, one bag and one swimsuit. Contents and pricing of the starter kit may vary according to stock availability, but prevailing details shall be made known to the swimmers at the point of joining.

General

All fees paid are non-refundable and non-transferable. Prices quoted are subject to applicable GST. Payment can be made via PayNow or Bank Transfer.

A monthly invoice comprising all applicable fees shall be sent to each swimmer by the 14th of each month. All fees are to be paid by the 1st of the following month, or on the date stipulated on the invoice, whichever is earlier.

X Lab reserves the right to charge a \$20 per month late payment penalty for any invoice overdue by 30 days or longer. Swimmers with invoices overdue for 90 days or longer will be suspended from training and all club activities until payment is made.

CANCELLATION OF TRAINING DUE TO INCLEMENT WEATHER

Training may be canceled or shortened due to Inclement Weather, according to the below conditions.

Definition of Inclement Weather

Swim classes will be canceled should there be 15 minutes of consistent inclement weather from the stipulated class commencement time and substitute land training is unable to be conducted.

Students/Parents to Note

Announcement of class cancellation due to Wet/Inclement Weather will be made via WhatsApp to your registered mobile number no earlier than 15 minutes before the scheduled class start time.
