

Children & Adults Learn To Swim Terms & Conditions

Welcome to X Lab! We thank you for your support.

By enrolling yourself or your child in our classes, you hereby agree to the below terms & conditions.

Please read them carefully.

ENROLMENT

Enrolment is on a per-term basis, with fees paid in full before the commencement of term. Class placements are not guaranteed until payment is received in full. As our classes usually fill up quickly, and waiting lists are common, we recommend making payment for your classes sufficiently in advance.

NEW STUDENTS

Prospective students are entitled to one free trial class. Students may then enroll to join the next term in full, or the current term, subject to term schedule and seat availability. New students joining a current term will be eligible for a proration of the current term's fees (strictly for new joiners only).

REGISTRATION

A registration fee of \$54.50 (w/GST / \$50 before GST) is payable per student to cover enrollment-related administration and processing. Upon receipt of the registration fee, students will receive a complimentary Welcome Kit consisting of X Lab swim cap and towel. Contents of the Welcome Kit may vary over time, or with stock availability.

TERM FEES

Fees are per term of 12 lessons, and apply only to the lesson and usage of the facility during the lesson. Any external costs for usage of the facility outside of lesson times, or for participating in additional events such as competitions, are to be borne by the student separately.

Price per 12-lesson term:

- Children:
 - Weekday classes - \$457.80 (w/ 9% GST / \$420.00 before GST)
 - Weekend classes - \$490.50 (w/ 9% GST / \$450.00 before GST)
- Adult: \$490.50 (w/ 9% GST / \$450.00 before GST)
- One lesson per week
- 50 mins per lesson (45 mins for preschoolers)

Term and registration fees paid are non-refundable and non-transferable. Payment can be made via PayNow or bank transfer.

WITHDRAWALS

Withdrawals may only take place at the end of the term. We are strictly unable to provide refunds for early withdrawals.

Any credit balance (see below: Wet Weather & MC Credit) at the end of the term will be refunded to you at the end of the term, upon confirmation of your child's withdrawal.

PUBLIC HOLIDAYS

Classes are not conducted on public holidays. For public holidays that fall on a Sunday, classes will not be conducted on both the Sunday, and the Monday (public holiday in-lieu).

Should there be fewer than 12 lessons in the term due to public holidays, term fees will be prorated according to the number of lessons in the term.

WET WEATHER & MC CREDIT

A credit amount equal to the value of the lesson will be applied to your next term's fees, in the event of:

- Class canceled due to Wet/Inclement Weather. Please refer below for more details on our Wet/Inclement Weather policy; or
- If your child is unable to attend class due to illness supported by a Medical Certificate ("MC").
Note: presentation of a valid MC is strictly required

You may check your credit balance at any time by contacting us through WhatsApp at [+65 9664 1955](tel:+6596641955).

CLASSES MISSED DUE TO ABSENCE WITHOUT MC

We are unable to extend refunds or credits for classes missed without a supporting MC. Students missing classes without a supporting MC are entitled to a makeup class, subject to a maximum of 2 make-up classes per term.

MAKE-UP CLASSES

A child is entitled to a make-up class for any absence not supported by MC, up to a maximum of 2 classes per term.

A make-up class booking link will be sent to you only after your child has been marked absent for the class. We are regrettably unable to allow for prebooking of make-up classes (i.e. for planned absences such as travel), as there is still the possibility of class being canceled due to Wet Weather. Make-up class entitlements are valid for as long as the swimmer is enrolled with X Lab.

For avoidance of doubt, the cap of two make-up classes per term is a strict cap, irrespective of the student's make-up history from previous terms. The make-up entitlement also only applies when the student has missed class. It cannot be used towards free additional classes or carried forward to future terms, and is not eligible for refund, credits or encashment, if not utilized.

CLASS CANCELLATION DUE TO WET/INCLEMENT WEATHER

Classes may be canceled or shortened due to Wet/Inclement Weather, according to the below conditions:

- Lightning activity, as indicated by the lightning alert signal, causing a closure of pool by the management
- Heavy rain causing a closure of the pool by the management. If there is light rain, our coaches will evaluate whether lessons can continue.
- Haze indicated by NEA 24hr PSI and 1hr PM2.5 readings in the North region 1 hour before commencement of the class
 - 1hr PM2.5 > 100: closure of pool for the complete session.
 - 24hr PSI >150: closure of pool for the complete session.
 - 1hr PM2.5 >55 and 24hr PSI >100: closure of pool for upcoming class
 - 1hr PM2.5 <56 and 24hr PSI >100: class continues with adjusted intensity

Note: Children with chronic heart or lung conditions or sensitive breathing can opt to skip the class and request an additional deferment whenever 24hr PSI >100 independent of 1hr PM2.5 reading

Additionally, classes will be canceled if:

- There is Wet/Inclement Weather 15 minutes before the scheduled class start time. For example, a swim class scheduled at 1600 will be cancelled if Wet/Inclement weather persists at 1545; or,
- There is Wet/Inclement Weather throughout the first 15 minutes of class time

Announcement of class cancellation due to Wet/Inclement Weather will be made via WhatsApp to your registered mobile number no earlier than 15 minutes before the scheduled class start time. Management reserves the final decision to cancel classes.

Classes will not be considered as delivered, if less than 30 minutes of the class was conducted due to interruption by Wet/Inclement Weather.

Classes canceled or considered not delivered will be eligible for refund in the form of credit towards your next term's fees, or in the form of bank refund (for withdrawing students only).

CHANGE OF COACH & CLASS

We may, as we deem necessary, change the coach for the class, for reasons including and not limited to: progression of class to a higher level and/or coach on leave/MC. We may, as we deem necessary, change the class in which the student is in, for reasons including and not limited to: perceived greater compatibility of the student with different peers.
